PARLIAMENTARY ASSEMBLY OF TURKIC STATES

COMMISSION ON EDUCATION, CULTURE, SOCIAL AND HUMANITARIAN AFFAIRS

TWELFTH MEETING

16 May, 2025

ONLINE

RECOMMENDATION

Rapprochement of Processes in the field of Education in TURKPA Member States: Problems and Prospects of Development

The Parliamentary Assembly:

Taking into account that the Education sector is the foundation of strong, peaceful, and sustainable development in each country;

Emphasizing that the strategic document "Turkic World Vision– 2040" and its key educational tasks and goals serve as the main roadmap for the cooperation of the Member States of TURKPA in the field of Education;

Understanding that integration and cooperation in the field of Education among the member states of TURKPA is one of the most important and necessary processes;

Giving a positive evaluation of the results achieved within the framework of cooperation in the field of education among the member states of TURKPA;

Considering the key role of cooperation in strengthening educational collaboration among member states, enhancing the quality of educational

systems, and ensuring their sustainability and alignment with modern requirements;

Recognizing the necessity of discussing the challenges and prospects of cooperation in aligning laws and harmonizing legal frameworks in the field of Education among the Member States of TURKPA;

Affirming the particular importance of developing joint educational standards and curricula for the purpose of unifying Education systems across all TURKPA Member States;

Noting that despite several successes, cooperation in the field of education among the Member States of TURKPA is encountering challenges and difficulties;

Recognizing the importance of developing and implementing inclusive education approaches in all TURKPA member states that ensure equal enjoyment of the right to education by all individuals, including disadvantaged groups";

Appreciating the indispensable role of education personnel in all TURKPA Member States in delivering education and shaping the future of the younger generation;

Recommends the parliaments of the TURKPA Member States:

a) *to harmonize* legislation and the unification of legal conditions in the field of Education between the TURKPA Member States;

b) *to adopt* the key tasks and goals of the strategic document "Turkic World Vision – 2040" as the main roadmap for the cooperation of the Member States of TURKPA in the field of Education;

c) *to actively enhance* cooperation in the field of Education, continuing the development that opens new opportunities for improved collaboration and the achievement of unity among all TURKPA Member States;

d) *to strengthen* academic ties between the Member States of TURKPA and establish joint educational institutions and programs;

e) *to develop* digital education and language studies between the Member States of TURKPA to enhance the educational environment and strengthen cultural and scientific ties between the countries;

f) *to support* joint projects and programs of the TURKPA Member States aimed at improving the quality and accessibility of Education;

g) *to strive* for the improvement of conditions for students and teachers through the active implementation of educational reforms, investments in

infrastructure, and the introduction of innovations in the educational processes;

h) *to create* appropriate conditions and requirements for education sector employees to fulfill their duties;

i) *to create* high-quality experience exchange and training systems for employees of the education sector of the TURKPA Member States, including teachers of educational institutions.
